

Certificate of Analysis

Catalogue No: MB111

Product name: Water for Molecular Biology

Batch No: NM041

Expiry Date: 04/2023

| | Specification | Result |
|--------------------------|-------------------------------------|---------------|
| Appearance of the water | Transparent | Conform |
| Filling level | Volume \geq nominal volume | Conform |
| DNase Assurance level | DNase contamination not detected | Conform |
| RNase Assurance level | RNase contamination not detected | Conform |
| Protease Assurance level | Protease contamination not detected | Conform |

This batch meets our specification.

Date: 08/04/2020
